The attached sheet of drawings includes a change to FIG. 1. This sheet replaces the original sheet.

REMARKS

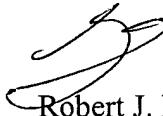

5 In the originally filed drawings, there were two instances of the reference 107. The reference “107” under cup 106 was incorrectly marked and should have marked as --109--. The specification, at page 7, lines 17-18 states, “The 3D scene 105 has cups 106, 107 sitting on plates 109, 108, respectively. The plates 109, 108 sit on tray 111.” Applicants have changed FIG. 1 to meet the cited text. There are two drawings enclosed, one with no markings and one to show the change of “107” to --109--. New formal drawings including this change have already been filed.
